

Hi everyone –

Coming off a very successful Vendor's Night last month, the ITE Northern California Section is looking forward to our ***April Lunch meeting hosted by the City of Modesto*** !

Following a lunch presentation the City will be taking us on a tour of their growing network of roundabouts, including at the busy entrance to the City's newest High School. This is a great opportunity to see successful "real world" applications of roundabouts in high-volume, suburban settings.

We've wanted to hold a monthly lunch meeting in the southern part of our section – so if you haven't been able to come to the Sacramento area recently – we hope to see you there:

***Thursday, April 23 (note this is the 4<sup>th</sup> Thursday of the month)***  
**11:30 – 1:30**  
**City of Modesto**  
**1010 Tenth Street**

In keeping with the tight economic times, ***the cost is only \$10*** . We will again feature a variety of sandwiches and sides similar to our last few luncheons.

Please RSVP now! More information will follow – but we would like to start taking reservations. If there is great interest, we can look for a larger venue.

Best wishes –

Matt Boyer , Secretary  
ITE Northern California Section

David Tokarski, President  
Bojana Maric, Vice President  
Ray Santiago, Treasurer  
Larry Wymer, Past President
