**SPEAKER: Matt Carpenter** – Transportation Planning Manager – SACOG (Sacramento Area Council of Governments)

**TOPIC: Metropolitan Transportation Plan (MTP2035) -**

The MTP2035 outlines the region's long-range transportation needs, establishes policies, and identifies implementation strategies. It is a program of related actions designed to coordinate and manage future transportation improvements among the various jurisdictions and agencies operating within the Sacramento region. The MTP2035 covers a wide range of transportation issues, including how the land use pattern affects travel behavior, development of multiple modes of transportation, rush-hour congestion, special needs of people with limited mobility, goods movement, long-distance travel between the SACOG region and other areas, and the environmental impacts related to travel. The MTP2035 is designed to guide future transportation investment decisions in a balanced manner, sufficient to make needed improvements in all modes of surface transportation.

**NOTES:** Lunches for engineering students are paid for by the Northern California ITE Section. Please note that a reservation is a commitment, and we may request payment if billed for no-shows who rsvp'ed.

To promote the **District 6 Student Endowment Fund**, we will be encouraging contribution pledges by awarding a \$25 door prize during each luncheon meeting to someone who submits a completed contribution form at the meeting pledging at least \$100 over 4 years. If only one person pledges at the meeting, the door prize is theirs. Information on the Student Endowment Fund, including contribution forms for both individuals and corporations, can be obtained at: <http://www.westernite.org/> or at our meeting.

Please be sure to join us on March 20 for the **35<sup>th</sup> Annual Lodi Vendors Night** (details to come)
